JOB MANAGEMENT AT YOUR FINGERTIPS, ANYWHERE, ANYTIME!

Would you like to know exactly where a job is in the production lifecycle? Need to oversee operations from your facilities from the palm of your hand? No problem. **SOLitrack is like a GPS system for your documents.** It tracks job statuses and current conditions of any and all of your production print workflows. This information can be delivered to your mobile device through SOLitrack Mobile - a customizable web interface. Easily manage your SLA and priority schedules, track job status and monitor printers and other devices. With a preference-based alert and notification system along with custom reporting,

SOLitrack Mobile can keep you in the know while you're on the go!

ABOUT SOLIMAR SYSTEMS, INC.

Solimar Systems is a leading developer of Customer Communication Management and Delivery solutions. Our solutions provide clients visibility into their workflows and operations while driving costs down; track the lifecycle of jobs from receipt to multi-channel distribution; optimize and convert data and documents; manage and optimize production printing across facilities and enable secure access and compliance. We also drive value and revenue generating opportunities by adding dynamic, conditional messaging to documents via digital inserts, onsets and augmented reality (AR) experiences. With thousands of clients worldwide, including 70% of the Fortune 100, Solimar has integral, proven IT solutions that have benefited print and data centers for more than 25 years.
