

## JOIN OUR ALL NEW CLOUD-BASED LEARNING PLATFORM

Rich Educational Content Available to  
Clients and Authorised Partners 24/7

The Solimar University Online learning platform provides **clients** and **partners** with targeted access to educational content for personal and professional development at times that fit their schedules.

The **Solimar University Online (SUO)** platform provides unique and relevant cloud-based content to clients and partners based on a user's profile and preferences.

SUO enables online users to access robust learning content such as industry videos, presentations, reference documents, updated SolimarShorts™, audio podcasts, and assessment materials via the internet. The self-paced SUO learning platform includes industry education, Solimar product and solution training modules and more.

**All Solimar authorised partners and Solimar clients with current maintenance agreements are invited to register for a SUO account.**

If you have questions concerning a SUO membership or require additional information, please email the Solimar Account Management team at [sales@solimarsystems.com](mailto:sales@solimarsystems.com) or call us at **+1.619.849.2800**.
